Choice Words | Stenhouse Publishers

Choice Words: How Our Language Affects Children's Learning. In addition, Johnston examines the complex learning that teachers produce in classrooms that is hard to name and thus is not recognized by tests, by policy-makers, by the general public, and often by teachers themselves, yet is vitally important.

Choice Words: How Our Language Affects Children's Learning ...

Choice words was a selection for our professional book club. It focuses on the way teachers interact with students and argues that the language teachers choose impacts students' development as learners and people.

DOWNLOAD Choice Words How Our Language Affects Children's ...

It's the little things, like the specific words you say (or don't say) to a student, that build up over time. This book gave me some great phrases to use in class. Before we can change our words, though, we must first change our thoughts. After finishing the last chapter, I feel inspired to see my students in a new light.

Choice Words: How Our Language Affects Children's Learning

Maybe then our discussions, our lessons, our research, and maybe, our educational policies could move beyond debating what sort of lessons garner higher test scores, and instead, focus on how our lessons develop not just readers and writers, but literate citizens for a democratic society.

How Our Language Affects Children's Learning

The book called Choice Words: How Our Language Affects Children's Learning written by Peter Johnston, is one of the best books I have ever read that is meant to educate educators. And that it does, and as you will see, my peers agree. Peter Johnston collaborated and researched alongside a few colleagues for a decade, gathering teachers' statements that bettered children's learning, left them ...
