Study Introduction to Genetic Analysis discussion and chapter questions and find Introduction to Genetic Analysis study guide questions and answers. Introduction to Genetic Analysis, Author: Anthony J. F. Griffiths - StudyBlue

Introduction to Genetic Analysis, Author: Anthony J. F ...

True to its title, the theme of this book is genetic analysis. This theme emphasizes our belief that the best way to understand genetics is by learning how genetic inference is made. On almost every page, we recreate the landmark experiments in genetics and have the students analyze the data and draw conclusions as if they had done the research themselves.
