GRADES: **IF YOU MADE A 'D' in chem 101, you really should consider retaking chem 101 or have a very good reason for this score if you decide to continue in chem 102. Ideally, you want to have all of the concepts from chem 101 firmly understood, so you can go on to chem 102. I will always remind you of the concepts we are building on, so you can review the material if you need to.

Dr. Vickie M. Williamson - Chemistry Education

A flipped classroom is an instructional strategy and a type of blended learning that reverses the traditional learning environment by delivering instructional content, often online, outside of the classroom. It moves activities, including those that may have traditionally been considered homework, into the classroom. In a flipped classroom, students watch online lectures, collaborate in online ...
