Giving a baby boy the name of his grandfather or favorite uncle is a sweet and very wide-spread practice in American families. Often, however, parents look for a variation of the older family name,

perhaps to give the baby a unique identity or possibly because grandpa's name is a little out-of-date.

A day of celebration turns to horror as six engineers turn to their clan robots for a chance at planetary survival. A small chance. A human colony preparing to celebrate three hundred years on its new world is suddenly faced with an enemy that harkens back to their early days on Hera. The giant bots that saved the colony have been dormant for nearly two centuries.

Hay or grass is the foundation of the diet for all grazing animals and can provide as much as 100% of the fodder required for an animal. Hay is usually fed to an animal in place of allowing the animal to graze on grasses in a pasture, particularly in the winter or during times when drought or other conditions make pasture unavailable. Animals that can eat hay vary in the types of grasses ...
