Pedagogy, literally translated, is the art or science of teaching children. In modern day usage, it is a synonym for "teaching" or "education," particularly in scholarly writings. Throughout history, educators and philosophers have discussed different pedagogical approaches to education, and numerous theories and techniques have been proposed.

Pedagogy - New World Encyclopedia

Pedagogy and pedagogue come from the Greek paidos "boy, child" plus agogos "leader." Pedagogy refers to the teaching profession as well as the science of education, for example as a college subject. This might be one reason that the word, pedagogue, is often used for a teacher who is overly interested in rules and details, hence the science of teaching, rather than actually getting through to ...
