ILM level 3. leader's personality for example if someone is more reserved they may prefer to shy away from direct face to face communication and prefer to communicate through emails, or other forms of written communication. Rather than addressing a group as a whole the reserved leader is probably more comfortable meeting with subordinates on a one to one basis to provide individual direction.

Ilm Level 3 Presentation Example Free Essays

Each school has a boundary associated with it. The boundary is also known as zone, catchment area or attendance area. This means that even though you and a friend live in the same neighbourhood, your children could have different "home" schools because one of you may live right on the edge of the boundary line.
