### **But Enough About You Essays**

One of the more controversial concepts in Agile Modeling is that agile models and agile documents are sufficient for the task at hand, or as I like to say they are just barely good enough (JBGE) . In this article I make the following critical points about a model or document (an artifact) being just barely good enough:

### **Just Barely Good Enough Models and Documents: An Agile Core Practice**

Write an interesting essay. The usual pseudo-philosophical rambling essays most students write are boring. Most students haven't lived long enough to develop a personal philosophy or life story that isn't trite, superficial, preachy or tiresome.
