Americans are nationals and citizens of the United States of America. Although nationals and citizens make up the majority of Americans, some dual citizens, expatriates, and permanent residents may also claim American nationality. The United States is home to people of many different ethnic origins. As a result, American culture and law does not equate nationality with race or ethnicity, but ...

The idea and image of black Haitian revolutionaries sent shock waves throughout white America. That black slaves and freed people might turn violent against whites, so obvious in this image where a black soldier holds up the head of a white soldier, remained a serious fear in the hearts and minds of white Southerners throughout the antebellum period.

Roosevelt wrote: Americanism is a question of spirit, conviction, and purpose, not of creed or birthplace. The politician who bids for the Irish or German vote, or the Irishman or German who votes as an Irishman or German, is despicable, for all citizens of this commonwealth should vote solely as Americans; but he is not a whit less despicable than the voter who votes against a good American ...
