The Focusing Iris is an orb of immense power, capable of magnifying and focusing arcane energy. Malygos used it to create and direct surge needles. Its energy was used to animate Chromatus and to fuel the mana bomb that destroyed Theramore. Jaina once used it to create a gigantic tidal wave of water elementals to destroy Orgrimmar, but she was stopped by Thrall.

Teleportation is the theoretical transfer of matter or energy from one point to another without traversing the physical space between them. It is a common subject in science fiction literature, film, video games, and television. In some situations teleporting is time travelling across space. The use of matter transmitters in science fiction originated at least as early as the 19th century.
