Higher education in the United States is an optional stage of formal learning following secondary education. Higher education, also referred to as post-secondary education, third-stage, third-level, or tertiary education occurs most commonly at one of the 4,360 Title IV degree-granting institutions, either colleges or universities in the country. These may be public universities, private ...

Higher education in the United States - Wikipedia

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
