### **By Chance Courtland Chronicles 1**

By Chance is the first installment in The Courtland Chronicles by Cat Grant. I enjoyed the romance between Eric Courtland and his college roommate Nick. While Eric is a prickly, selfish bastard in the beginning of the novel, under Grant's deft hand he is turned into a sympathetic character who finally figures out he's worthy of love.

### **By Chance (Courtland Chronicles Book 1) by Cat Grant ...**

By chance is a fairly typical male/male romance tale of the jock and the geek who become college roommates and discover their secret desire for each other. The author does not shy away from male/male sex scenes so this book is full of trashy goodness. A definite for smut lovers. Not for the faint of heart.
