17. Read. I love reading. We live and die by stories. My life has changed several times by reading a book. The stories you read have a profound effect on how you view the world. You can be stuck on a problem, and the solution can pop into your mind while you're reading.

21 Things You Can Do To Change Your Life Forever

On January 1st, 2018, I made predictions (here) about self driving cars, Artificial Intelligence and machine learning, and about progress in the space industry. Those predictions had dates attached to them for 32 years up through January 1st, 2050. So, today, January 1st, 2019, is my first annual self appraisal of how well I did.

Everyone loves a good optical illusion. Most people first come across them as kids, and are instantly transfixed. And most of us never quite outgrow them. Even cats seem to enjoy the occasional optical illusion!. The good news, then, for humans and nonhumans alike, is that our illusions seem to be getting better over time.
