And even though he thought of her as a dummy, she chose not to be one, because she ended up making the bold choice to leave him. She passed away recently, but she lived a happy life for 30 years after she left him. It was a woman's choice, and it was her choice. ** The day started out like any other, but it did not end that way.

South Africa allows abortion on demand under its Choice on Termination of Pregnancy Act. Most African nations, however, have abortion bans except in cases where the woman's life or health is at risk. A number of abortion-rights international organizations have made altering abortion laws and expanding family planning services in sub-Saharan Africa and the developing world a top priority.
