Chicago. City on the make. - Signal v. Noise

Upon its original publication in 1951, Algren's Chicago: City on the Make was scorned by the Chicago Chamber of Commerce and local journalists for its gritty portrayal of the city and its people, one that boldly defied City Hall's business and tourism initiatives. Yet the book captures the essential dilemma of Chicago: the dynamic tension between the city's breathtaking beauty and its utter brutality, its boundless human energy and its stifling greed and violence.
