Folk music includes traditional folk music and the genre that evolved from it during the 20th-century folk revival. Some types of folk music may be called world music. Traditional folk music has been defined in several ways: as music transmitted orally, music with unknown composers, or music performed by custom over a long period of time. It has been contrasted with commercial and classical styles.

bud norris. November 30, 2018. No debate---George Jones was/is the greatest country music singer in human history. I have one room in my house decorated with posters of him, pinback buttons, his very first record, a 78 RPM disc, a statue of him, a signed guitar, box sets of every thing he ever recorded, and six three-ring binders of photos, cards, magazine artilces, etc., dating back to 1955.
