This is a list of alternative base character classes to the Dungeons & Dragons role-playing game. As base classes rather than prestige classes, they can be taken by newly created characters without need for any prerequisites.. Many of these classes have been repeatedly added after the core rules books were released, including the shaman, artificer, and runecaster or runepriest

One of the largest cost drivers in running a service like Flickr is storage. We've described multiple techniques to get this cost down over the years: use of COS, creating sizes dynamically on GPUs and perceptual compression. These projects have been very successful, but our storage cost is still significant.
